FASTRAK RECORD ARCHIVE STORAGE UNITS

Made from our popular FastRak, these archive racks are built to hold even your heaviest archive boxes. Featuring a newly designed heavier duty upright that can be "knocked down" for easier shipment as well as having the advantage of component replacement in case of damage. Each level will hold a full 1600 lbs. Units can be ordered to accommodate either 15" deep standard archive boxes or 24" deep boxes and are available with or without boxes. Single and double deep units available. Please use "W" at end of model numbers for units Without Boxes or "WS" for units With Boxes. Foot plates optional.
